

# BIANCOVALENTINA

**Type:** White still wine

**Appellation:** Indicazione Geografica Protetta Puglia

**Harvest:** 2010

**Production Area:** At the South – West hillside of the Gargano National Park, at 150 mt above sea – level

**Terroir:** Climate with a wide temperature range, constantly windy, with mineral rich soil

**Grape Variety:** 100% Greco grown in accordance with organic farming

**Harvest Time:** First week of September, harvest by hand

**Yield:** 85 quintals per hectare after thinning

**Vinification:** Short maceration at low temperature, gentle pressing in the absence of air, must clarification and fermentation at controlled temperature

**Aging:** Sur lie aging in steel for four months at low temperature  
Wine Analysis: Alcohol 12,00% vol; total acidity 6,0 g/l; pH 3,45; SO<sub>2</sub> < 80 mg/l; volatile acidity 0,30 g/l; residual sugar 2,0 g/l;

**Sensory profile:**

**Colour:** Intense yellow with greenish hues

**Nose:** The bouquet is fresh, the perfume reminds you of ripe apple, with citrus fruits and flowers scents

**Palate:** It is fresh, full – bodied and intense with mineral notes which remind the typicality of the territory

**Food Matches:** Eggplant parmesan, grilled fish

**Serving Temperature:** 12 – 15 °C

I work to create wines that emphasize the reading of the signs of a land in love.

My Wines:

1. are unique, first of all, and respect the naturalness
2. are certified organic for more than 12 years
3. are part of a European Organic Wine Carta that guarantees a healthy and pleasant wine, whose production does not have the adverse effects on the environment.
4. are the result of a careful protection against oxidation during vinification and bottling
5. are authentic and express their terroir
6. have a distinctive character and personality with intense, fresh and strong mineral bouquet;
7. are examples of verifiable traceability and transparency of production and transformation processes
